**RE: CONSTRUCTION WORK ALONG ROADWAY**

Dear Resident:

Starting the week of Sept 18<sup>th</sup>, 2023, Mitchell Contracting will begin construction activities in the following area:

*“Along the intersection of MLK & Waggoner Road going North, then continuing along Oakdale to the intersection of Dummyline.”*

Our Crews will be in the area until mid to end of December.

Please call Mitchell Contracting at **(985) 200-0158** or send complaints to Brady Aizen at **bradya1287@yahoo.com**.

Please be patient as this notice is to help notify the residents in the area as we work with the City of Morton to make improvements to City Utilities

There will be equipment and employees along with times of one lane or road closures causing residents to access from either Dummyline or MLK.

Thank you for your patience and please notify our office of any issues.

Thank you,

A handwritten signature in black ink, appearing to read 'Mitch Pounds', with a long horizontal flourish extending to the right.
